Under all is the land.. So starts the NAR Code of Ethics. It continues: Realtors®, therefore, are zealous to maintain and improve the standards of their calling and share with their fellow Realtors® a common responsibility for its integrity and honor. In recognition and appreciation of their obligations to clients, customers, the public, and each other, Realtors® continuously strive to become and remain informed on issues affecting real estate and, as knowledgeable professionals, they willingly share the fruit of their experience and study with others.
